BUDGET COMMITTEE REPORT

In reviewing the budget for 1982, the Budget Committee finds that the Department Heads and the Board of Selectmen were able to hold the total funds requested to run the various departments, to a sum that is a little less than that requested a year ago. This, we feel, they should be commended for in these days of ever increasing inflation.

We are in general agreement with all money articles and offer the following recommendations.

We recommend that the Board of Selectmen consider a method of payment other than a fee system for the Tax Collector.

It is also recommended that the Library Trustees modify their bookkeeping system so that outside funds, such as donations, be kept separate from the Town appropriations and expenditures.

In closing, we would like to thank all the Department Heads and the Board of Selectmen for their time and cooperation in reviewing the budgets and other articles.

Respectfully submitted,

RINDGE BUDGET COMMITTEE

TRANSMITTAL AND COMMENTARY LETTER

Board of Selectmen  
Town of Rindge  
Rindge, New Hampshire 03461

Members of the Board:

We have examined the financial statements of the various funds and account groups of the Town of Rindge for the year ended December 31, 1980, and have issued our report thereon, dated May 29, 1981. As part of our examination, we reviewed and tested the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing and extent of other such auditing procedures that are necessary for expressing an opinion on the financial statements. Such study and evaluation disclosed the following conditions that we believe to be material weaknesses.

Purchasing Procedures

The Town records expenditures only upon receipt of vendor invoices. Invoices from vendors are mailed directly to department heads. These practices effectively prevent the Board of Selectmen from being involved in the purchasing function or control commitments of the Town's resources.

We recommend that the Town adopt the following procedures:

1. Notify vendors that invoices should be sent to the Selectmen's office.
2. The Selectmen should require that department heads obtain prior approval before committing the Town's resources over certain dollar limits to be set by the Board.

We feel that our recommendations are only stop-gap measures and strongly suggest that the Town implement a complete purchase order system as soon as is practicable.

Other

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining

---

accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgement by management.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstandings of instructions, mistakes of judgement, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect to either to the execution and recording of transactions or with respect to the estimates and judgements required in the preparation of financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our study and evaluation of the Town's system of internal accounting control for the year ended December 31, 1980, which was set forth in the first paragraph, would not necessarily disclose all weaknesses in the system.

The recommendations on administrative and operational matters not directly related to internal accounting control, as listed below, were developed from our observation of the Town's operation during our examination. They are not the result of a special study.

#### Investment of Idle Cash

We noted that at various times during the year the General Fund checking account contained large balances of temporarily unneeded cash. We suggested that the Town implement cash budgets which will help to identify periods when temporary borrowings will be necessary and when excess funds will be available for investment. We recommend that, at a minimum, some General Fund receipts be deposited to a Savings account during periods they are not needed to finance operations.

#### Fixed Asset Accounting

The Town does not maintain accounting records for its fixed assets, as is the case with many New Hampshire communities. Records are needed for control of the assets, as well as, the insurance program and long-range planning. While we recognize that the costs of any control system should not outweigh the benefits and that the establishment of fixed asset accounting records is a major undertaking we believe that the Town should give development of these records a high priority. We offer the following program for your consideration.

- . Adoption of a formal capitalization policy by the Board of Selectmen.
- . Inventory existing fixed assets and maintain records of identified items at a central location under control of the Selectmen.
- . Establish fixed asset accounting records for all new acquisitions and a certain percentage of existing items annually.

**ANNUAL REPORT**

---

- . Establish a program for periodically verifying existence of items in the fixed asset accounting records or on the inventory.
- . Adopt formal procedures to delete items from the records.

Conclusion

The provisions of Chapter 71-A, Section 21, require that the Auditor's summary of findings and recommendations (transmittal and commentary letter) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We would like to acknowledge all of the assistance and many courtesies extended to us by the personnel of the Town during our examination.

## REPORT OF THE ROAD AGENT

1981

In 1981 the Highway Department performed the following major projects:

Using Revenue Sharing Funds, we installed approximately 800' of water lines along Payson Hill Road from the Town Hall to the Town Office.

Ditch cleaning, asphalt mix and seal coat were given to about 41,000' on the following roads: Middle Winchendon Road, Old Ashburnham Road, Nort- Street, Payson Hill Road, Old New Ipswich Road, Goddard Road, Converseville, Robbins Road, Hunt Hill Road, Wellington Road, Swan Point Road, East Lake Monomoc Road and Swan Point Road. We also did 3,400' on the Mountain Road with a portion regaveled and new drainage installed. 2,800' on Lord Brook was completed with 1,400' of new 6 inch under drain.

Winter funds were expended on plowing and treating approximately 60 miles of roads. Our Winter budget was cut \$ 15,000.00 at Town Meeting due to the mildness from January to Town Meeting. However, several snow and ice storms in December resulted in an overdraft of the Winter account. Winters are impossible to predict and thus estimate spending costs.

Major graveling was done on the following roads: Old New Ipswich Road, Loop Road, Goddard Road, French Farm Road, Cross Road and Bancroft Road.

We replaced and installed the following size culverts: 316 feet of 12 inch, 30 feet of 8 inch, and 120 feet of 24 inch.

I would also like to take this opportunity to thank the townspeople for approving the purchase of our new pickup truck at the last Town Meeting.

Respectfully submitted,  
Peter J. Anderson  
Road Agent

INGALLS MEMORIAL LIBRARY  
REPORT OF THE TRUSTEES - 1981

This has been a year of many changes. The Trustees were saddened by the death of John M. Phillips, their long time colleague and friend.

Our Librarian, Eleanor McMullen, resigned as of the first of June because of moving out of town. The library was fortunate to have Laura Green who had served as Assistant Librarian for many years to take over as Librarian.

Due to the great success of the Flea Market under the able leadership of Jodee Lee, President of the Friends of the Library, and the generous gift of the Woman's Club, the Symonds Room was completely renovated.

We are indebted to Mr. Edward Salame for the new metal flagpole which he so generously gave to the library.

The Trustees are very grateful to Mr. John Hunt for sponsoring the \$ 500 grant awarded by the Roy A. Hunt Foundation. This gift enabled us to purchase the much needed new Encyclopedia Britannica.

In December we again suffered a severe loss with the sudden death of Laura Green. Her administrative ability and expertise in selecting appropriate books for the patrons as well as her gracious presence in the library will be sorely missed.

Mrs. Marjorie L. Priester of Rindge has just been appointed Head Librarian.

Jean Lowell, Chairman  
Board of Trustees

## REPORT OF THE ACTING LIBRARIAN

CHILDREN'S DEPARTMENT: Story hour for grades 1-3 was held Monday afternoons. This was conducted by Franklin Pierce College students from January to May and by Mrs. Justine Blackall from October to December. There was an average attendance of 17 children. The summer reading program was an individual reading process in which 23 children participated,

A new book block was purchased as well as catalog file drawers. Classes from the school visit the library on a regular schedule as part of their REAP program and get books for recreational reading.

Despite changes in the staff the library has continued as an active department of the town. The meeting room has been used by the Recreation Department for several activities, and Girl Scouts meet there. Mrs. Jodee Lee has assisted covering the desk evenings. Custodian Ralph Green keeps the building in good condition and the only major repairs this year were staining the front entrance and resurfacing the walks. New file drawers and a file cabinet were added to the equipment.

Mrs. Laura Green and Mrs. Blackall attended district and state library meetings. These promote interlibrary cooperation.

The library subscribes to a number of magazines as well as local newspapers, besides its collection of fiction and non-fiction books. There are also large print books available, and arrangements can be made with the State Library for the loan of talking books for the visually and physically handicapped.

Overdue books continue to be a problem. Books damaged, lost or not returned are an added expense, curtailing our purchase of new books. We are indebted to John Sampson for the donation of over 100 new books to add to our collection.

And finally, this report would not be complete without mentioning the invaluable assistance of the volunteers who staff the library on

**RINDGE CONSERVATION COMMISSION - 1981**

During 1981 Conservation Commission members continued their attention to dredge and fill matters. A letter of intervention was sent to the State Wetlands Board on the Leo LaChance application to build a marina on Lake Monomonoc at Hubbard Hill Road. Two members then attended a public hearing in Concord and spoke against the proposal which was ultimately denied. The Commission took similar action against the dam building and dredge and fill plans of Robert Van Dyke on Goddard Road. His permit was granted, but he has since been issued a cease and desist order. Members also investigated sites where dredge and fill violations may have occurred.

Lisa DiRusso and Stephanie Burns were sponsored by the Commission at Youth Conservation Camp and received scholarships to attend from Ed and Marge Stevens and the Monadnock Bank.

The Commission has received an acid rain kit and is testing the Ph of rain and snow. The Ph has been 4.5 in Rindge while normal is 5.6 and neutral is 7 on a scale of 14.

The Conservation Commission also had a sign made for the Rindge Town Forest, invited William West as a guest to speak about Lake Contoocook and distributed its annual newsletter.

**ANNUAL REPORT****SELECTMEN'S REPORT-1981**

---

In 1981 we worked on many different projects. First, we purchased three new vehicles; a rescue vehicle for the Fire Department, a pick-up truck for the Highway Department, and a Ford LTD Cruiser for the Police Department.

As for road projects, extensive work was done on Mountain Road. This involved removing a dangerous hill, installing new culverts, and raising the road in order to prevent flooding in the spring. Underground drainage pipes were installed on Lord Brook Road. Both roads were graded, gravelled and paved. Birch Drive in Cathedral Estates met the specifications to be accepted as a Class V town road. The road between Main St. (Old Rt. 202) and School St. has been permanently closed. There was concern that traffic on this road endangered the school children. In order to further insure the safety of our children we have added a School Crossing Guard.

A new Water-line was installed between the Town Hall and the Town Office Building.

We have new Professional Liability and Public Official Liability Insurance. The insurance company requested an inventory of all items in the library and museum. This has been completed.

The Town passed a new Master Plan for zoning. Individuals who wish to operate a business from their residence will be required to obtain approval from the Board of Adjustment.

We found it necessary to establish new rules for the use of the Town Hall. From January 1st to April 15th, the Town Hall will be open only on Tuesdays and Wednesdays. This change was made for the purpose of conserving fuel.

Revenue Sharing Funds will be used in 1982 to purchase Oil and Solvay. This will have the effect of not increasing property taxes \$ 1.00 per \$ 1,000.00 of assessment.

Sixty people have applied for the Woodheating Energy Tax Exemption. We would like to remind the residents of Rindge, if they are eligible for any exemptions such as Expanded Elderly, Blind, Veterans etc., they must file for them prior to April 15, 1982. Also, Current Use Applications must be filed by April 15, 1982.

The Town Hall needs to be scraped and painted. We hope the people will appropriate \$ 5,000.00 towards this and that the Church will match this amount. We are also in need of a site for brush disposal.

The Board of Selectmen meet regularly on Wednesday evenings from 7 to 9 P.M. Anyone who has problems or other matters which they would like to discuss with the Board are welcome to attend. For the sixth year in a row we ended the year with a surplus.

We wish to thank all the town officers, employees, Board members, Town Counsel, and all the committees who have worked so hard to make things run smoothly over the past year. Special thanks to our secretary, Mabel Speckman. There are many dedicated people in Rindge and we are indeed fortunate that so many are willing to serve which adds much to the enjoyment of life in Rindge.

## REPORT OF THE RINDGE FIRE DEPARTMENT

For the Year Ended December 31, 1981

Structure Fires	12	Flooded Oil Burner	1
Chimney Fires	19	Furniture Fire	1
Vehicle Fires	3	False Alarms	2
Malicious Fires	7	Mutual Aid (Assist Others)	14
Electrical Fires	3	Mutual Aid (Assist Us)	34

Brush or Grass Fires	8	Water or Ice Rescues	3
Smoke Investigations	5	Medical Emergencies	77
Alarm Investigations	3	TOTAL CALLS(less 34 M.A)	179

The year 1981 was a very busy one for the members of your Fire Department. An average of  $3\frac{1}{2}$  calls per week or 1 call very other day added to meetings, drills, schools, equipment checks, work details, and fund raising activities creating a very taxing situation both to your dedicated firefighters and to their families. The Town of Rindge is very fortunate to have these people who are willing to sacrifice a major portion of their lives and also to place those lives in jeopardy.

The new Rescue Truck authorized by last year's Town Meeting was placed in service in August. The Rindge Fire Fighters Association used monies donated and earned to complete the vehicle and add equipment to the inventory on the truck.

The community was very unfortunate to be hit with 7 serious and 5 potentially serious structure fires making the year one of the worst ever. The officers and personnel of the Rindge Fire Dept. strongly recommend installing and maintaining smoke detectors and also practicing escape drills in ~~the~~ home (EDITH).

The State of N.H. has a new law which went into effect January 1, 1982 requiring smoke detectors to be installed in all new dwellings and those which are substantially renovated.

The Fire Wards believe it is time for the Town to practice good fire prevention in its public buildings by installing fire detection systems which will automatically alert the Fire Dept. in the event of fire. These buildings are unoccupied most of the time which could give a fire a big head start before it was noticed. (The Library already has such a system). In the Fire Dept. alone, the Town has over a half million dollars invested in the building and equipment. The sad fact is that even a fire station can burn and the effect on the community could be devastating. The old saying about an ounce of prevention is very appropriate, especially in these days of tight money.

We hope that the year 1982 will be a healthy and fire safe one for all the citizens of Rindge.

Craig A. Hoyt, Chief  
Rindge Fire Department

RINDGE RECREATION DEPARTMENT

ANNUAL REPORT 1981

Life. Be in it! There is a broad spectrum of recreational and leisure activities one can become involved in. Participate don't spectate, whether it be in departmentally sponsored activities on your own with family and friends. Do something that brings you joy and inner peace. That's what leisure is all about!

In the department's second full year of existence participation increased to 1,930. 68 programs and activities of varying types were offered to community members.

Special Events were held in conjunction with traditional community events, a few holidays, and also during various times of the year. You will recall the "Little Red Wagon" production during the Library Flea Market and "Stories from Uncle Remus" at the Womans Club Festival. Band Concerts were held during the Mens Club Suppers and a road race took place on Memorial Day.

Halloween parties were held for both pre-school and grade school children. A spook house haunted by the Rindge Youth Group highlighted the evening party. Christmas was spent delivering letters to Santa and decorating the Town Tree.

The Rindge Youth Baseball Program expanded again so it now includes a Babe Ruth team. Its roster was made up of teenagers who played other community teams in the Monadnock Babe Ruth League. The Youth Baseball program now includes 102 youth participants playing on six teams which involve ball players from the ages of 7 to 15.

A Summer Playground was held at the Rindge Memorial School with Kim Roraback, Lara Whitehead, and Susan Speros leading activities. The summer was filled with crafts, special events, theme weeks, skits, games, relays and contests. Other special activity classes run during the summer included: photography, chess, gymnastics, painting, puppetry, smocking, ceramics, youth sailing, family softball, active youth sports, five levels of adult and childrens tennis lessons and two types of swimming lessons.

Film festivals were held throughout the year. 5 were viewed during the summer months and 4 others were a part of a monthly film series at Ingalls Memorial Library.

A February vacation program was available to youngsters when school was not in session. Volleyball, adult drawing, CPR, and a fishing clinic were adult activities offered during the year. A baby sitter training course was offered during the fall as a community service.

Rindge Youth Soccer was a new and big addition to the Towns Youth Sports program. Four teams competed weekly in controlled scrimmages organized so that youngsters could have fun learning soccer skills under playing conditions.

Finally, a special thank you to all of the community members who actively participated or donated their time to help make 1981 a successful year.
